Questions for Contemplation

The VOICE of TIME

What can The Voice of Time do to help the Planet?

What is The Voice of Time made of?

How can time be measured? (Decades, years, seasons, days, mornings/evenings, hours, minutes, seconds, etc)

What are the benefits of measuring time?

Who depends on the changing seasons and time for their livelihood?

What are some important times of the day for you?

Does everything happen in time?

What happens when you dream? Are you aware of time when you dream?

How do things change with time? Living things and the environment?

How do humans, animals and plants change over time? How long do different animals and plants live?

How long can a human live? How do you want to live your life? How do you want to feel each day?

If you could ask The Voice of Time for anything, what would it be?
